

Welcome to Puddleducks Nursery School

Your child's first steps into the world are taken at nursery school - that's why choosing the right place is vital for you and for them.

Parents who choose Puddleducks Nursery School have the peace of mind of knowing their child is in a safe, stimulating environment where they can have fun and make friends as they learn and play.

We are the first choice nursery school for over 60 families on the Island and have focused on creating the best possible daycare facility for children between the ages of 2 and 5.

We cherish our key role in children's early development, helping them to flourish at their own pace, and take pride in always putting our 'Puddleducks' first, ensuring that this early stage in their life's adventure is a happy and fulfilling one.

NURSERY CARE

ADORN
Domiciliary Care Ltd

'Caring for the Island's community'

Where Are We?

Puddleducks is situated in a Victorian town house on Raphael Road, in a quiet residential area close to central Douglas and its amenities. Our location is naturally convenient for parents who live or work in Douglas, and find it comforting to be close at hand.

Flexible Daycare

We can accommodate up to 62 children on a part or full-time basis. Our flexible structure is designed to give maximum benefit to parents and children: parents who work part-time can choose morning or afternoon sessions and, provided they give notice, can change sessions at any time.

Rounded Early Learning

We combine traditional nursery school principles and activities with the education methods of the Early Years Foundation Stage, a balanced approach widely known to give youngsters a great start in life. The EYFS smoothes the transition to primary school as it underpins future learning by fostering all aspects of your child's development.

Time to Play!

We make sure that Puddleducks children have plenty of time to play, both as a means of self-expression and a way of letting off steam! Activities are evenly divided to stimulate cerebral, creative, motor, social and physical development, while encouraging the children's self-confidence and sense of fun.

We believe that children thrive on a blend of variety and consistency, so each day is structured but never too rigid. We have nine themed playrooms with a wealth of toys, games and crafts, as well as a secure garden play area featuring climbing frames, slides and miniature transport.

Food and Drink

Parents are asked to supply packed lunches and drinks for their children but we do provide healthy, nutritious snacks – prepared on site – three times a day. We regularly vary our snacks to stimulate the children's interest in different foods and ensure they are receiving a nourishing balance.

Our Team

All our staff are highly qualified, experienced and dedicated to their role. Everyone in the team holds either a Level 2 or Level 3 qualification in Childcare and receives full support in gaining further training and qualifications. Each member of staff must supply full references and undergo police and social services checks before starting at Puddleducks.

Security

The safety of your children and your peace of mind are, of course, absolutely vital. As well as security cameras on the front door and in our playground area, we use state of the art fingerprint recognition technology, which means that only registered staff may gain entry.

Our Rates

Puddleducks offers exceptional value for money while providing premium daycare services. Our Full time rate of £132.65 per week, works out at only £2.65 per hour*. We intend to keep offering competitive rates in the years to come.

*Monthly Premium only

The Puddleducks Pledge

Our goal at all times is to provide exceptional care and a nurturing environment, honouring the bond of trust between nursery and parents. In recognition of this, we adhere to core principles and practices which allow us to stay true to this goal.

Come and Meet Us

If you would like to discuss daycare at Puddleducks in more detail, we would be delighted to show you around so that you can see our facilities for yourself and ask us plenty of questions. To arrange a visit or request further information, simply get in touch.
